

# In-Home Nursing

**When it comes to in-home nursing, you want to be 100% confident that you and your loved one are being supported.**

Our team of professional, qualified and currently registered nurses can help. At Prestige Inhome Care, we only engage Registered Division 1 and Enrolled Nurses.

## **Our in-home nursing services include:**

- Wound care
- Medication management
- 24-hour nursing service
- Complex care
- Palliative care
- Catheter management
- Diabetes management
- Health and wellbeing checks
- Risk assessments and care planning

*To enquire about our services or organise a quote, please call our friendly team on*  
**1300 10 30 10**

*Our Prestige Case Managers and Clinical Services Manager work with you and your loved one to establish a unique and flexible care program, for a range of situations and conditions.*
