

# Live-In Home Care

## Live-In Home Care is a low care, flexible service that's tailored to suit your lifestyle.

Our Live-In Home Care combines the benefits of a qualified, experienced carer with live in companionship and peace of mind – all in the comfort of your own home.

Prestige Inhome Care is a highly reputable and respected organisation that has been passionately serving the Sydney community with exceptional care for over 20 years.

## Why choose Prestige Inhome Care?

### Tailored Care

Our Live-In Home Care service is truly tailored to your needs and can be adapted as these change.

### Flexibility of Care

How you want your day structured is your decision. We work to your routine.

### Comprehensive Assessment Process

Before your care begins, our experienced team members will visit you in your home and work with your GP to ensure we're able to meet the level of care you need.

### Continuity of Care

A friendly and experienced carer will support you in a 24-hour period, with your care overseen by your dedicated Case Manager.
